MAKE YOUR OWN SUPERCAT MASK

Pizza made his mask from a blue paper bag. Now it's your turn!

✂ cut on the dashed lines

1. Color your mask. Pizza's was blue!
2. A grown-up cuts along the dashed lines, and the eye and mouth holes too.
3. Punch the two purple dots and tie on yarn or elastic.
4. Put it on, strike a pose, and shout: "Is that Supercat?"

Grown-ups do all the cutting. Never use a plastic bag as a mask.

Tip: print on cardstock for a sturdier mask.
